SAMPLE EMAIL # 2 – Kick-Off:

Each year the State runs a charitable giving program. It used to be called SECCA, we now call it the VtSHARES Campaign. Its name now better reflects its purpose. September 29th – October 14th is the time when the powerful generosity of the state employee community - managers, non-managers, everyone- kicks in to support hundreds of Vermont and national non-profits that fund a tidal wave of needs (for the elderly, the disabled, the poor, for animal shelters, land conservation, wildlife conservation, and more).

"Charity begins at home." Go to the web site <http://vtshares.vermont.gov/> -- or we can give you a directory --and learn about all the many non-profits to whom you can give -- either a one-time check or, preferably, a payroll deduction. An automatic payroll deduction is the easiest and best way. Many of you already give to the causes that mean the most to you --- but please consider making the VtSHARES Campaign part of or one of the instruments for your annual giving plan. Our Agency/Dept. **Goal for 2016 is [\$ XXXX]**. Let's meet and exceed this at a time when so many people in Vermont and the nation need help!
